The Math Questionnaire: Part 1

Please answer the following questions so that I can learn more about you and your math background.

1. Look around the room. Do you have any friends in this class? Who are they?

2. Who are the people that live in your home(s)? Please include names and relationships. (Example: Dawn Summers - sister)

3. What do you want to do when you grow up? Why?

4. How can math help you in that future career?

5. What do you like to do in your free time?

6. What is your favorite school subject? Why?

7. What is your least favorite school subject? Why?

8. Which of your former teachers is your favorite of all time? Why?

9. Tell me one more thing about yourself (it can be as random as you'd like!)
