

More With Tables

1. Use the linear relationship shown in the table to answer the following.

Number of Days	Number of Songs
8	314
12	326
16	338
20	350

- a. Write an equation for the table. Show your work.
- b. Write a story to match the table, then title the table.

2. Use the linear relationship shown in the table to answer the following.

Hours	Temperature (°C)
6	-2
8	-3
10	-4
12	-5

- a. Write an equation for the table. Show your work.
- b. Write a story to match the table, then title the table.

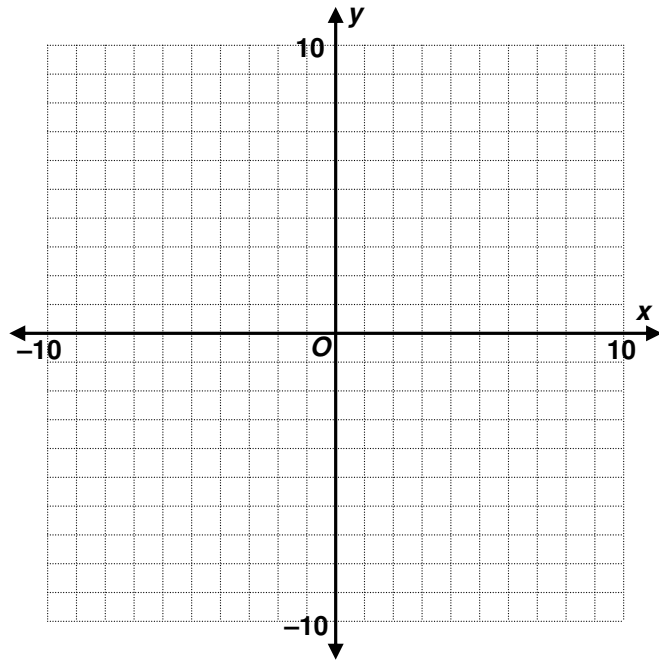

3. Use the linear relationship shown in the table to answer the following.

Weeks	Money Left
1	141
5	53
8	-13
11	-79

- b. Write a story to match the table, then title the table.

4. Is the table below linear?
Prove it in two ways!

x	y
-9	5
-3	3
3	1
6	0

5. Is the table below linear?
Prove it in two ways!

x	y
-10	-3
-1	3
2	5
8	9
